Instructions to Authors

1. The manuscript should not have been published before and it is not under consideration for publication anywhere else.
2. The length of the articles should not exceed 8000 words.
3. The title page should include: the name (s) of the authors, the academic degree, the field of study, the affiliation (s) of the author (s), i. e. institution, (department), city, (state), country, an active email address (If address information is provided with the affiliation (s) it will also be published)and the phone number of the author (s). Also, the corresponding author -if the authors are more than one person– should be specified.

   * Acknowledgments of people, grants, funds, etc. should be placed in a separate section on the title page. The names of funding organizations should be written in full.

4. The length of the abstract should be between 200 to 250 words.
5. Please provide 5 to 7 keywords which can be used for indexing purposes.
6. Abstract should include the objectives, methods and results of the research.
7. The article must contain a title, an extended abstract in English, an introduction, the main text, the conclusion and the list of references.

   • The main text file of the article should not contain the name of the author (s).

   • Please do not provide references directly or indirectly to the author (s) in the text and footnotes.

   • Proper names, English terms and explanatory references should be cited in the footnotes.

8. The manuscript should be submitted in MS-Word, with "BZar" font for Persian articles and with "Times New Roman" for English ones.

   * The size of the font for the main text should be 12 and the footnotes should be 9.

   * The English abstract should be typed with "Times New Roman" font sized 11 for text and 10 for bibliography.

9. The articles that are accepted can cite thanks to individuals or organizations that have funded the research before the list of references.
10. Author (s) should follow the latest edition of APA style in referencing.

    • References within the text should be written in parenthesis and in the following fashion: (surname of the author, the year of publication and the page number).

    • In case you have provide a reference to an author that has two books which have been published in the same year, you should distinguish them by using the words "a" and "b" after the year of publication.

    • References at the end of text should be sorted alphabetically and based on the following order:

    • **Article:** author's surname, author's name. (the year of publication). The title of article. *the title of Journal* (italic). the volume. Number. the page numbers.

    McDowell, John J. (1979). *Virtue and Reason*. The Monist 62 (3), 331- 350

    • **Book:** author's surname, author's name. (year of publication). *title of book* (italic). the translator/ editor/ collector. the place of publication. and the publisher.

    Shirazi, S. M., (Mullā Ṣadrā). (1981). *al-Shawahid al-rububiyyah fi manahij al-sulukiyyah*. Sayyid Jalal al-Din Ashtiyani (ed.) together with Sabzevārī's commentary. Mashhad: Markaze Nashre Daneshgahi.

    • **Chapter of a book:** author's surname, author's name. (year of publication). the title of the article. the name of the collector or editor. the title of the reference. the page number. the place of publication: the publisher.

    Zagzebski, L. (2001). Must Knowers be Agent? in A. Fairweather & L. Zagzebski (Eds.). Vitue Epistemology: Essays on Epistemic Virtue and Responsibility (pp. 142-157). Oxford: Oxford University Press.

    • **Online resource:** author's surname, author's name. the title of the article. the address of the website (italic). and the date that the article has been received.

    Taliaferro, Ch. (2013). Philosophy of Religion. In E. N. Zalta (Ed.), *The Stanford Encyclopedia of Philosophy* (Summer 2013). Retrieved from https://plato. stanford. edu/archives/Sum2013/entries/ Philosophy of Religion

11. **Responsibility of the Article**

    • Authors (s) are solely responsible for the accuracy of the article. Therefore, the articles do not necessarily reflect the views of the editorial board.

    • The editorial board of journal has the right to accept, reject and edit the article.

    • The journal rejects articles that contain elements that are plagiarized. Therefore, if an author uses someone else's research achievement or a part of his/her own published researches without citing the source, the article will be rejected. • JPTR handles the plagiarism and duplication with "Samimnoor" system for Persian articles and "iThenticate" for English articles.
